

# INCOME CLARIFICATION FORM

Student's Name: \_\_\_\_\_ Student SSN: \_\_\_\_\_

Date of Birth: \_\_\_\_\_ Academic Year: \_\_\_\_\_

On your 2010 Free Application for Federal Student Aid (FAFSA), the income reported appears insufficient to support the number of people in your household in 2009 according to commonly utilized income thresholds.

Using this form, please indicate how you provided for yourself (and your family if applicable); or if this form is for your parents, how they provided for themselves.

If an agency or family/friend provided monetary assistance for you or your parents, then please identify who is helping you (or helped you) and how much they are providing for you (or provided for you) on an **average monthly basis** (you do not need to list each month and its corresponding benefit) from January 1, 2009 to December 31, 2009.

If you received benefits in kind i.e. not in cash, then please indicate the amount of **monthly assistance** you received from January 1, 2009 to December 31, 2009. *(For example, if your friend or family member pays \$600 monthly in rent and there are four people living in the apartment, including you, then your share of the rent that is being paid on your behalf would be \$150 per month)* **Some items may not apply.**
