| 11/10/2025                                                                                                       | 07/11/2027               |

Start dates are subject to change at the discretion of UMA.

\*Anticipated end dates are determined based on continuous progression through a program and include clinicals and externships. Externships are based on a minimum of 30 hours per week; therefore, the actual end date may vary.

\*\*Reported anticipated end dates for the Health Sciences program concentrations assume students will have already graduated from the corresponding UMA diploma program then transfer into the corresponding Health Sciences program to complete general education/elective courses required for the associate of science.
